NARRATIVE:

Fan Erikson is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include burglary, multiple cases of illegal possession of ammunition, multiple cases of possession of a firearm by a felon, possession of contraband in jail, vehicle theft, receiving stolen property, possession burglary tools, possession of controlled substances and failing to report. He has served multiple state prison terms, the longest being a 5 year term for possession of a firearm by a felon. Erikson was released from state prison to the supervision of the Los Angeles County Probation Department on August 15, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2014 after he absconded from post release community supervision (PRCS). Erikson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a firearm by a felon is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
